

## TouchStone Leaders Facilitator Certificate Program

*"Igniting The Humanitarian Spirit"*

### Introduction

The Stone Soup Leadership Institute is a 501c3 non-profit organization founded in 1997 on the island of Martha's Vineyard. Through the Touchstone Leaders Platform, The Institute brings the Stone Soup fable to life, inspiring people to give their gifts so together we can feed the hunger in our hearts and the hunger in our world. By developing educational tools, creating youth-community leadership initiatives, sustainability projects and activities inspired by the book, *Stone Soup for the World: Life Changing Stories of Everyday Heroes*, The Institute works to ignite the heroic spirit in youth by engaging them in the practice of empathy.
